Submitting Essays

1. Log in to your account with the information you used when you set up your account.
2. Click on the appropriate course to submit your essay, and then make sure you click on 2019 The Refugees.
3. Click on the Submit button to submit your essay.
4. Make sure the drop down box at the top is set to single file upload. Do not copy and paste your essays into the system, or you will lose formatting.

5. Make sure your name is correct, and give your essay a title (this does not have to be the same title as your actual essay).

6. Click the button to Browse. Find your essay. Once you have found your essay, click the button to Upload.

7. On the final submission page, you will click the Submit button to submit your essay. At this stage, check to make sure the essay you have linked to is the correct essay. Whichever essay you submit is the one I will grade. If you do not complete this step, your essay will not be uploaded.
8. Finally, you will see your confirmation page. If you do not see this page, your essay has not uploaded.
